DANVILLE GIVES WARM WELCOME TO REV. RICE

Rev. John Jay Rice, former pastor of the Paris Presbyterian church, was given a warm welcome Sunday at Danville, when he preached his first sermon as pastor of the First Presbyterian church of that city.

The Danville Messenger of Monday says: "The Daily Messenger desires to join other citizens of Danville in extending a welcome to Dr. J. J. Rice, who comes here as the new pastor of the First Presbyterian church. He received an enthusiastic greeting from pastors and members of other local churches last night in a union service at his church. Dr. Rice is a young minister of great ability and we are pleased to have him come to Danville. His first pastorate was at Nicholasville, where he served for five years, later going to Paris and Harrodsburg. Dr. Rice comes from Jonesboro, Ark., where he has been for some time. Dr. Rice and wife and little daughter, will reside on Fifth street between Main and Broadway as soon as their furniture arrives."

The Danville Daily Advocate of Monday said:

"Dr. J. J. Rice, the new pastor of the First Presbyterian church, preached his initial sermon yesterday morning before a large and well pleased congregation. Last night the union meeting was held in that church and practically all of the pastors of Danville had a word of welcome to the new minister. Dr. Fuqua, who was attending the Methodist Conference, was unable to be present last night, but wishes to state that he was in hearty accord with the action taken in welcoming the new minister to Danville."

THE SCHOOL ARMY

The return of children to school this autumn is a far more important event than most of us realize. These children form an army, preparing to reinforce us in attacking life's problems.

Those problems are more knotty, more numerous, than when present grownups were serving their apprenticeships in the army of education.

Bigger problems require better training, more intensive study.

To children, the return to school is rather a sad affair. To grownups, it has the coloring of an adventure, for schooling is the door to the future.

Somewhere among the millions of returning school children are future presidents, future millionaires, future scientists, future productive geniuses, future failures. Most of them, sadly, will go through life not far removed from failure. Just how far removed, depends to considerable extent on what they get out of education.

Any one who comprehends the great changes now taking place in the world realizes that the future will be an age of speculation, far more so than the present. Therefore, it is important for youths, particularly boys, to decide as early as possible what careers they are best fitted to follow. With a definite goal in sight, there will be less waste of time wandering down lanes that lead off from the main road to success.

Help them find their goals.

NOTES FROM THE GRIDIRON

Coach Clay Ward, of the Paris High School football team, is optimistic over the outlook for the team for the coming season, and is busy every day getting things in order for the opening game September 15, with Carlisle High in Paris. Coach Ward was a regular player on the University of Virginia team for three years, and was captain of the team in 1917. Six games will be played at home this year. Among the teams playing here is the St. Xavier's School team of Louisville, on October 28. Practice began on September 5, and Hancock's Field is being put in condition for the opening. Bleachers are being erected to seat five hundred people. A fence is being built around the playing field to prevent anyone but the players and officials from entering the playing lines. Coach Ward is one of the best football men that ever wore the University of Virginia uniform, and the success he had with the team last year gives assurance of a strong team this year.

The probable line-up for the P. H. S. team will be as follows: Robt. Dalzell, left end; Leonard McCann, left tackle; Chester Strother, left guard; Rene Clark, center; John Welch, right guard; John Coughlin, right tackle; Houston Jacoby, right end; Craig Tucker, left half; Harmon Taylor, full back; Ralph Connell, quarterback; Warren Nash, right half.

The 1922 schedule includes twelve games, as follows:
Sept. 15—Carlisle at Paris.
Sept. 22—Clark County at Paris.
Sept. 29—Mt. Sterling at Mt. Sterling.

Oct. 6—Kentucky Wesleyan College at Paris.
Oct. 12—Cynthiana at Cynthiana.
Oct. 20—Winchester at Paris.
Oct. 28—St. Xavier at Paris.
Nov. 3—Ft. Thomas at Paris.
Nov. 10—Somerset at Somerset.
Nov. 17—Georgetown at Paris.
Nov. 24—Versailles at Paris.
Nov. 30—Covington at Covington.

Basil Hayden, of Paris, former basketball star at the University of Kentucky and all southern guard on the 1920 Wild Cat team, has been selected field coach for Wesleyan with Coach J. B. Sibley as director of athletics. Hayden will have charge of the field duties in football, basketball, base ball and track.

The team will play Paris High School at Paris on October 7, and Millersburg Military Institute, at Millersburg, on November 4.

WARNING TO RETAILERS OF GASOLINE

Retailers of gasoline must purchase gasoline from wholesalers, who pay the one cent tax, the State Tax Commission Saturday notified all retailers. The commission has agreed with the wholesalers to continue the arrangement, whereby the distributors pay the tax. As it is a retail tax, and there is no penalty for a wholesaler, who is delinquent, the commission is holding the retailers liable if they sell gasoline on which no tax is paid. The retailers also must report sales monthly to the county clerk.

WEAR 'EM SHORT, GRILS!

Twenty of Montreal's smartest and prettiest girls, rebelling against the attempt of style creators to foist long skirts on women, have formed a "no longer skirt league." Members are pledged to cling to the abbreviated variety and do all they can to induce other young women to keep their skirts short.

Too many folks imagine that the purpose of Good Roads is to get the auto to the railroad crossing ahead of the train.
